

CHIPPING CAMPDEN SCHOOL
Student Agreement 16 – 19 Bursary

The payments will only be authorised if:

- The requirements of the Sixth Form Agreement have been met in full.
- All absences from school are authorised and in the case of doctors/dentist appointments, the school is notified in advance of the absence. Students who organise an emergency morning appointment should telephone the school to notify of the absence immediately.
- Any work missed through absence is completed.
- Good standards of work are maintained at all times, homework and course work requirements and deadlines are met. Your commitment to subjects is judged as good or excellent by all your subject teachers. This must be reflected in your attitude and attainment grades, Records of Achievement and any other documentation called for by the Head of Sixth Form.
- Your progress meets or exceeds any target minimum grades that you have been set.

I understand that failure to comply with the above will jeopardise my 16 – 19 Bursary payments.
