**1. Research Task:**

Collect a variety of information on 'Dashboard Dining' or 'Drive Thru Dining'. Include specific and informative facts as well as pictures and colour.

Questions to get you started:

- a. What does the term 'dashboard dining' mean?
- b. Why has this type of dining increased over the decades?
- c. What are the different types of options currently available for drive thru dining / dashboard dining across the world?
- d. Why do customers use drive thru?
- e. What are the nutritional implications?
- f. What is their 'Unique Selling Point'?
- g. How could you make your dashboard dining creation healthy?

**2. Create a Menu:**

Select 5 dishes that could become part of a healthy/balanced drive thru or dashboard dining menu.

Include the following from each product:

- a. Name of the dish
- b. A picture (hand-drawn OR internet image)
- c. A paragraph explaining why it would be a suitable option for the menu.
